# Websites

[Classroom Website](#) This is found on our school website under Classroom, Preschool.

[Ho'okele School Website](#) **Refer to:** Parent Handbook, School Supply List, School Updates, Meal Accounts. Will be updated as available.

[Seesaw](#) For distant learning this year, Seesaw is the primary learning platform and Google Meet may be utilized. Once available more information will be shared. Should the entire school campus solely be distant learning, this platform will also be the primary learning platform.

# General Information

Each child will be assigned a designated area in the classroom to support our social distancing protocols. There will be 6 feet between staff to child, staff to staff, and child to child at all times throughout the day to maintain social distancing.

Hand washing and good hygiene habits will be in place. All students will have to wear a mask during the school and they will have access to a child-sized face shield (provided by the school, which will stay at school). Please send your child with a mask on and a spare in their backpacks.

# Drop Off/Pick Up

Drop off will take place outside of our recess gate. There will be marked spots on the ground indicating where to wait while social distancing. The gate will open at 7:45am. If your child is tardy, you will need to bring them to the office for a late pass.

Pick Up AM: If applicable, pick up will be outside of our main office at your child's designated time.

Pick Up PM: If applicable, pick up will be outside of our recess gate.

# Questions or Comments, let me know!

As more information becomes available, we will share it with your family!

Thank you for your patience and cooperation!

We look forward to working with your child this year!
